**THE STORY:** Old King Cole searches his kingdom for the  
"enemy of the land," and thinks that Mother Goose has  
slandered his good name through her classic nursery  
rhymes. We see Little Boy Blue, the Old Woman in the  
Shoe, Little Miss Muffet and Her Spider, and many  
others who try to convince Old King Cole not to  
change Mother Goose tales. Find out if Mother Goose  
can change Old King Cole's mind about her fairy tale  
stories!
